November 5, 2014

PLEASE NOTE There is NO SCHOOL this Friday. However, childcare is available providing you contact the school office to preregister no later than **Thursday by noon**.

SECOND CHANCE PICTURE DAY is scheduled for TOMORROW, Thursday, November 6th. If your child was absent on Picture Day or you forgot to send an envelope to place an order you may have your child rephotographed on this day. Children already photographed have been sent home their photos. If you are dissatisfied in any way you may have your child's picture retaken on this day. Simply return the original photos on Second Chance Day and your child will be photographed.

CANS FOR CLASSROOMS This is the week to bring in your cans toward adding more classroom space at our school. Please be sure to mark your child's grade level on the bag clearly. The class with the greatest number of cans each month is awarded a certificate for a free item at an upcoming Fab Food event. Who will our winner be this month? (Preschool and Grade 6 have each been winners so far this year.)

LONG OVERDUE THANK YOU You may have noticed that each of our classrooms has been equipped with a Smart Board or interactive whiteboard to enrich our student lessons. We are grateful for the families who have contributed to making this possible by personal donations and participating in our Trek for Tech walkathon last spring. Incredible thanks are also due to Mr. Chris Vollmer and Mr. Jeff Barth (father and uncle respectively of Aiden and Cody Vollmer) for installing these boards and their projectors. There were three installations alone this summer! We realize that without their assistance we could not make use of these wonderful learning tools! **THANK YOU!**
