**SPARE CHANGE FOR THE RONALD MCDONALD HOUSE** Our seventh and eighth grade students continue to work to affect our world in little and big ways through kindness and generosity. Another team of students is working to support families whose children are receiving critical care at Children's Hospital in Milwaukee. So that these families can remain close to their children during their care many are invited to stay at the Ronald McDonald House. Each day your child drops in some spare change to support this cause they may enter their name in a drawing for a basket of goodies on display in our office. This will be the FINAL project of this kind for the year.
